Lincoln Police Department Offers New FREE Bicycle Registration Program

Lincoln, CA, Aug. 28, 2007 -- The Lincoln Police Department receives bicycles that have been found on a daily basis with no means to return them to their rightful owner. In an effort to gain cooperation from the community to register bicycles, Chapter 10.76 of the Lincoln Municipal Code was recently revised making bicycle registration a **NO COST** service to the community.

Beginning immediately, the Lincoln Police Department will begin registering bicycles at community events and at the police department during regular business hours. Your bicycle registration information will be kept on file at the police department. In the event your bicycle is lost or stolen, the police department will have the means to identify and return bicycles to their owners.

For more information on the Lincoln Police Department Bicycle Registration Program, contact Community Programs Coordinator Kimberly Wiley at (916) 645-4040.
