916-434-2448

LINCOLN, CA, Dec. 6, 2010 – Lincoln Police Department officers were dispatched this morning to an alley just off of G Street between 1<sup>st</sup> and 2<sup>nd</sup> Streets in Lincoln to reports of shots fired at 10:42 a.m.

Officers arrived on scene to find an officer involved shooting.

An initial investigation reveals that undercover officers from Placer County had a stolen white Ford pick up under surveillance this morning. Prior to pulling over the suspect, undercover officers called for patrol assistance from the Placer County Sheriffs Office. When County patrol officers arrived to assist in pulling over the suspect, the suspect rammed one officer's vehicle and attempted to run over another deputy that was on foot. At that point, officers opened fire.

The suspect was transported via ambulance to a local area hospital and has since been pronounced deceased. The Lincoln Police Department is investigating the incident, along with the Placer County District Attorney's Office.
