

CALLING ALL RESIDENTS FOR:

27th ANNUAL NATIONAL NIGHT OUT

The **27th Annual National Night Out** event scheduled for **Tuesday, August 3rd, 2010** will soon be here. Each year the Lincoln Police Department partners with Neighborhood Watch for an evening of block parties, fun activities, ice cream socials, and time spend with neighbors. Our thanks to all of you that have participated in past years to make this event the success it has been in Lincoln. If you have not had that opportunity, please consider joining in the evening festivities. What a great way to meet with your neighbors on a summer evening and strengthen the safety of our neighborhoods. It is important to work together to ensure that we are actively protecting our families, property and providing a healthy neighborhood and community in Lincoln, CA.

Don't miss the opportunity to gather your neighborhood by joining in on a great evening. From 6:00-10 p.m. on August 3rd residents in Lincoln will light their porch lights, lock their doors and head outside to neighborhood block parties. Each year parties are hosted by the residents and will look different in many neighborhoods. Barbeques, ice cream socials, contests and youth activities are some ideas that participants have hosted with great success. Come up with your own idea for your local neighborhood.

Our National Night Out focus remains the same as in past years for residents to:

- Heighten crime and drug prevention awareness.
- Generate support for, and participate in, local anticrime programs.
- Strengthen neighborhood spirit and police community partnerships.
- Send a message to criminals letting them know that neighborhoods are organized and fighting back.
- Another great way to meet neighbors.
- Tight budgets in communities across the country make National Night Out more important than ever.

The Lincoln Police Department, Fire Department, Citizens on Patrol and your Elected City Officials will make every attempt to visit each party or event as an opportunity to interact with the community. Don't miss your opportunity for a visit. For event registration or for further information, please call CSO Paul Tyler at 645-4083.
